

# iMetall art

Ingrid Heiss was born 1976 in Brixen/Bressanone, Italy. She studies at the academy of photodesign in Munich, Germany. After several internships with various photographers and agencies in Munich, she worked for a South Tyrolean weekly magazine, where she photographed various reports and cover pages. Since 2004 Ingrid Heiss works as photodesigner in Brixen/Bressanone and has her own fotostudio. Her artwork focuses on people with all their facets, their feelings and emotions.
