Livia Marasso was born in 1972; after scientific studies and a degree in Architecture at the Polytechnic of Turin, she devoted herself to interior design for many years, at the same time cultivating her great passion for ceramics.

From 2005 she began to attend courses of in-depth study of ceramic processing techniques with the master Piero Maddalena in Florence, Elisabetta Vacca, Luca Tripaldi in Turin and Natalie Domingo in Sevres.

In 2009 she opened her own studio in Turin, where she carries out her artistic activity and organizes in-depth courses on the use of porcelain.
